Introduction

Introduction

Legal Basis

1. The Commission on Audit, in the exercise of its reportorial function, directed the Corporate Government Sector (CGS) thru COA Memorandum No. 92-780, dated 21 September 1992, as amended by COA Memoranda Nos. 2010-012, dated 06 April 2010, to monitor the salaries and allowances received by government officials holding multiple positions and to determine the total amount of remunerations received by these officials from the different government agencies during a particular year. In compliance thereto, the CGS prepares a consolidated Report on the Salaries and Allowances (ROSA) received by (a) Principal officers and members of governing boards of government-owned or controlled corporations/ government financial institutions (GOCCs/GFIs) and their subsidiaries, and (b) Secretaries, Undersecretaries and Assistant Secretaries and other officials of equivalent rank of national government agencies (NGAs), and submits the ROSA to the Office of the President of the Philippines and the Congress.
2. To guide the COA Auditors in the compilation of the ROSA data, COA Memorandum 2012-005 dated 20 April 2012 was issued to provide the definition and description of the allowances/ benefits, as well as the related governing laws, rules and regulations, authorizing the grant of the same.
3. The data as herein presented were summarized from the quarterly reports of the auditors who submitted the information on the salaries, allowances and other benefits granted during the year to the top three officials of their auditee agencies. Such information also include the "nil" data on some government officials who rendered services to their respective agencies and other government offices during the year but received no compensation therefrom. The presentation thereof is in accordance with the 3rd paragraph of COA Memorandum No. 92-780, which provides that, *"If the principal officers, members of the governing board, Secretary, Undersecretary or Assistant Secretary did not receive any salary and/or allowance during the year, their name just the same should be included in the list but should be so identified as not having received such salary and/or allowance for that year."*
4. The consolidated data as presented do not include the intelligence and confidential funds granted to the various government officials

as these funds are meant to defray expenses for the maintenance of peace and order and other home defense programs and activities. These funds do not accrue to the personal benefit of the public official concerned and the same are governed by separate and specific guidelines.

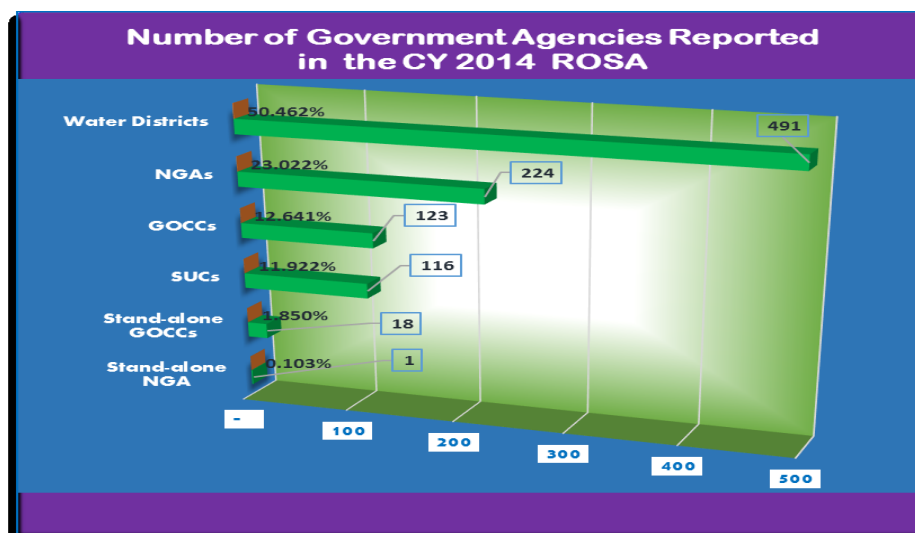

5. The tabulated data however, includes extraordinary and miscellaneous expenses (EME) which are presented as a separate item after the sub-totals for salaries, allowances and benefits, pursuant to COA Memorandum No. 2012-005.

Report Objectives

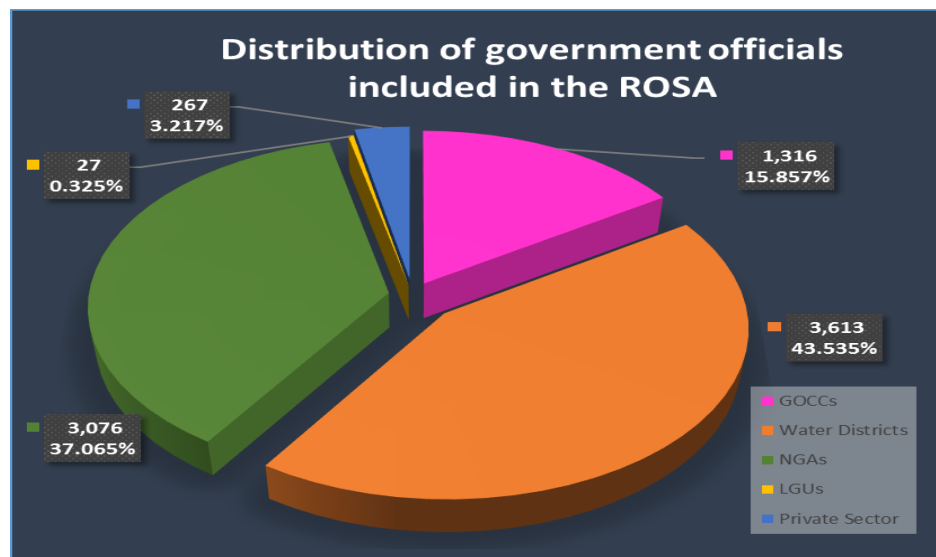

6. The report aims to: (a) support the continuing thrust of the government for transparency and accountability of government funds, through regular monitoring and reporting of the salaries and allowances received by government officials holding multiple positions; and (b) determine the total amount of emoluments and benefits received by them from the different government agencies/instrumentalities where they serve/are affiliated.

Structure and contents

7. A total of 973 government agencies paid salaries, allowances and benefits to its officials. This report includes data of 632 GOCCs (inclusive of 123 GOCCs, 491 water districts and 18 stand-alone GOCCs located in the regions) and 341 NGAs (inclusive of 116 state universities and colleges and one stand-alone NGA operating in the region). The data submitted for some NGAs were merged with the data of their mother agency.

8. Quarterly Reports and Annual Report of Salaries, Allowances and Other Benefits received by the top three ranking officials were submitted by COA Audit Teams assigned to the National and Corporate government agencies including: (a) GOCCs and their subsidiaries; (b) Water Districts; (c) State Colleges and Universities; and (d) Stand-alone agencies. The Hernani Water District located in Region VIII is the only GOCC not included in this report due to the inability of the Audit Team to obtain the required data.
9. A total of 8,299 government officials from the 973 government agencies/instrumentalities are listed in the CY 2014 ROSA. This total consists of 4,929 officials and members of the governing boards of GOCCs and GFIs (inclusive of 3,613 officials of water districts and 1,316 officials of GOCCs;); 3,076 officials of different national government agencies; 27 officials from Local Government Units (LGUs); and 267 representatives from the private sector. The following is a graphic presentation on the distribution of the government officials included in this report.

10. Private Sector representatives refer to the officials/officers from private companies, associations and private individuals who are affiliated with government agencies/instrumentalities. The list of private sector representatives and their respective position(s) held is shown in **Annex A**.
11. List of local government officials appointed as members of the governing board of various GOCCs/SUCs is shown in **Annex B**.
12. For brevity and to facilitate identification, acronyms of the various government agencies were used in the report. The list of government agencies and their corresponding acronym is provided in **Annex C**.

13. The data on compensation and other remunerations submitted by the auditors assigned to various government agencies were categorized into six (6) major classifications as follows:
- a. Basic salary;
 - b. Personnel economic relief allowance/additional compensation/ honorarium;
 - c. Allowances;
 - d. Bonus, incentives and benefits;
 - e. Other allowances; and
 - f. Discretionary and extraordinary and miscellaneous expenses.
